33 The Series: A Man and His Design is a 6 session Bible study that builds upon many of the timeless truths taught by Robert Lewis in the original Men's Fraternity curriculum but also includes new material on authentic manhood. The series is designed to inspire and equip men to pursue authentic manhood as modeled by Jesus Christ in His 33 years on earth. Volume I contains six sessions that explore the basic foundations of authentic manhood and God's clear design for men.

This first volume of 33 starts with meaningful insights into the current state of manhood, which will help men navigate through some realities that have created cultural confusion. It follows by unfolding God's mandates for all men and offering a clear definition of authentic manhood that will help men on their journey. Each participant will learn the four "faces" of manhood and how to anticipate and transition through the specific seasons of life.

Galatians: In this Book of the Bible series, Kyle Idleman dives into the book of Galatians, one that contains some of the clearest explanations of the gospel in the New Testament. Through biblical study and engaging lessons, Kyle shows that true freedom is found in surrender, not self-dependence. Because our gospel is not one based on our works, but faith in the finished work of Jesus Christ.

Crazy Love: It's crazy, if you think about it. The God of the universe loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God.

Some names live in infamy, and some names inspire the greatest kinds of hope. But there is one name above all other names, and it belongs to the Son of God, Jesus. Jesus is the most unique person who's ever lived, and his names carry with them great weight.

So join Tony for this twelve-session series that will draw you back to the essential truths of our faith and the life found in our king.

Miracles of Jesus explores all four Gospels with teaching from Jennie Allen, Blanca Juárez Olthoff, Jada Edwards, and Sadie Robertson. Discover the ways Jesus healed, provided for, calmed, and resurrected the people he encountered. This seven-session study is about believing in the power of God who can accomplish anything. There's nothing too big or too small for us to bring to him.

When we take time to learn about the overflowing kindness Jesus demonstrated to all

kinds of people through miracles during his time on earth, we realize that he is radically generous, compassionate, and honoring toward all people. As you watch teaching from the places in Israel where Jesus performed miracles and dig into God's Word, you will end the study in awe of the Messiah who relentlessly seeks, saves, and restores us.
